

Indianapolis *Gregory A. Ballard, Mayor*

REBUILDINDY

Department of Public Works

1200 MADISON AVE., SUITE 200
INDIANAPOLIS, IN 46225

October 22, 2010

Below are anticipated construction activities for the week of 10/25/2010.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites.**

Pike Township

Spot repairs and repaving will occur on Guion Road from 38th Street to 56th Street.

The pedestrian trail is being constructed along Michigan Road between Township Line Road and 86th Street. Drivers will notice periodic lane restrictions.

Westbound 38th Street between I-465 and I-65 is being reconstructed with east bound and west bound traffic sharing the south half of the existing road. Once work on the north half is finished construction will begin on the south half of the road.

Washington Township

Sanitary sewer installation will occur along Knollton Road, north of Weslynn Drive, and it will continue in the vicinity of 56th Street and Grandview Drive. The intersections of 56th Street and Grandview Drive and Fox Hill and Grandview Drive will be closed at various times.

Wayne Township

Lane restrictions on Lafayette Road will be in effect from 16th Street to Cold Springs Road for sewer construction.

Lawrence Township

Construction signs will be installed and surface milling is planned for Hague Road between Fall Creek and 75th Street.

Storm sewer installation will occur on Irwin Avenue south of 42nd Street.

Center Township

Brick paver replacement will occur at Market Street and Capitol Avenue.

Tenth Street and Miley Avenue will remain closed for sanitary sewer construction.

Lane restrictions along Merrill Street will be in effect as ADA ramps, curbs, and sidewalks are replaced. Work also continues along Michigan Road between 25th Street and 30th Street.

Contractors will be milling and repaving the roadway on the following streets during the overnight hours. Expect lane closures while construction is taking place and restricted parking during the daytime hours.

- Maryland Street from West Street to Washington Street
- Washington Street from New Jersey Street to College Avenue
- New York Street from West Street to College Avenue
- Vermont Street from Meridian Street to Pennsylvania Street
- Pennsylvania Street from McCarty Street to Washington Street (daytime work)
- Oriental Street from Michigan Street to 10th Street (daytime work)

In addition to street repaving, contractors will be making repairs to concrete curbs and sidewalks along the streets listed below. Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities.

- Pennsylvania Street from McCarty Street to Washington Street
- Meridian Street from South Street to Washington Street
- Illinois Street from McCarty Street to Washington Street
- Ohio Street from East Street to College Avenue
- East Street from Washington Street to Ohio Street

Georgia Street

Utility relocations are currently ongoing in anticipation of the 2011 reconstruction of Georgia Street. Work can be seen on all blocks of Georgia Street from Capitol Avenue to Pennsylvania Street. Relocations are happening along both edges of the road. Lane restrictions are in place and at times pedestrian traffic will be detoured. Please note, businesses on Georgia Street are still open. For more detailed information about this project, please visit the Georgia Street Project web page at www.indy.gov/dpw.
